

RER-DERM
FOG Control Device (FCD)
Installation Inspection

Approval Date:

Inspector:

DERM's FCD Installation Inspection Required Prior to Plumbing Final for all Municipal projects. Failure to secure DERM's FCD Installation Inspection will result in disapproval of Final Inspection by the Municipal Building Official, pursuant to Section 24.42-6, MDC Code.

To schedule DERM's FCD Installation inspection for Municipal projects send an email to **iFOG2@miamidade.gov**, 24 hours prior to the desired date. Provide the DERM-Grease approved process M-number, complete address of the site, folio number, and contact person name and phone number.
