- 21 - 100 trees to be inspected: \$65
- 101 - 200 trees to be inspected: \$135
- More than 200 trees to be inspected: \$265

For all new application submittals, the application and the initial inspection fee are required for processing.

For After-the-Fact (ATF) tree removal/relocation permits, the application and the per tree(s) fee are doubled (x 2). The fees listed above are based on voluntary (not ATF) applications.

For relocation only permits, there is no per tree(s) fee charged, only the application and inspection fees.

In order to renew/extend a permit you will be required to pay the original application fee amount prior to the expiration of the current permit.

Please be advised that the application and the initial inspection fee are required upon permit application submission and are non-refundable if cancelled, withdrawn or denied.
