### County Attorney's Office

The County Attorney's Office (CAO) is established in the Miami-Dade County Home Rule Charter to "serve as legal counsel to the Board, Mayor, and all County departments, offices, and agencies, and perform such other legal duties as may be assigned." The CAO represents the County in all civil legal matters arising in the discharge of official duties.

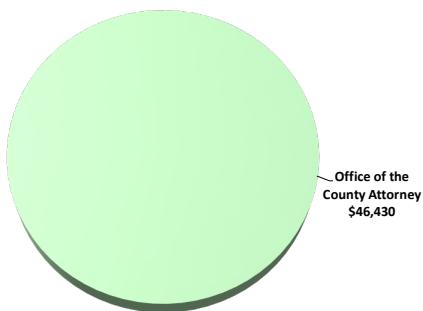

As part of the Policy Formulation strategic area, the CAO is responsible for, among other things, the prosecution and the defense of all lawsuits brought by or against the County; the provision of legal advice and representation to the Board of County Commissioners (BCC) and its committees and subcommittees, the Mayor, the Public Health Trust, various County boards and all County departments and agencies; the representation of the County at administrative hearings; the drafting and review of ordinances and resolutions; the approval of all contracts, bonds or written instruments as to form and legal sufficiency; and the rendering of legal opinions.

The CAO provides legal representation to the BCC, the Mayor, the Public Health Trust, various County boards and all County departments and agencies. In addition, the County Attorney's Office may, in certain circumstances, provide legal advice and representation to the newly elected constitutional officers.

### ADDITIONAL INFORMATION

- Continuation of existing staffing levels is necessary to address, among other things, the provision of legal services to the elected constitutional officers including the Clerk, Property Appraiser, Sheriff, Supervisor of Elections and the Tax Collector; increased workloads attributable to an upswing in requests for legal services from the Board of County Commissioners, the Mayor, and administrative departments; a significant increase in complex commercial transactions and regulatory matters; a substantial upsurge in litigation-related demands attributable, in part, to legislative and judicial actions at the state level; and a marked increase in work associated with the Florida Legislature over the last several years
- The FY 2025-26 Adopted Budget for the County Attorney's Office includes budgeted amounts to fund the same salary enhancements given to all non-bargaining County employees in the administrative departments and shall be extended to the County Attorney to provide flexibility to address extreme competition, and compensation increases in the legal labor marketplace
- As in prior years, the FY 2025-26 Adopted Budget includes funding from multiple sources (\$8.821 million) including, but not limited to: reimbursements for additional legal services from the Bond Acquisition Administration Fund (\$450,000); People and Internal Operations Department Self-Insurance Trust Fund (\$3.8 million); Seaport Department (\$1 million); Public Health Trust (\$2.451 million); Children's Trust (\$250,000); the Department of Regulatory and Economic Resources (\$705,000) and CareerSource South Florida (\$165,000)
- The County Attorney's Office continues to perform e-filing functions on-behalf of all County Departments; as a result, departments are reimbursing all Clerk of Court Fees to ensure the CAO's budget is not adversely impacted
